## PELUQUERÍA CANINA

Where dogs are pampered like true VIPs

**Welcome to Paraíso del Perro - Dog Grooming Salon!**  
**We have an adapted schedule for the opening hours as of May 6 2024**

- **Monday:**
  - **9:00am - 2:00pm**
    - Exclusive for our private clients. Here, dogs are treated like stars. Think velvet paw prints and a special "pawpampering".
  - **4:00pm - 6:00pm**
    - Private clients again, later on the day, double the cuddles, double the shine!
- **Tuesday:**
  - **8:30am - 10:00am**
    - For our private clients. Early birds get extra petting time
  - **10:00am - 2:00pm**
    - Specifically for the rescue dogs from Dogxida/Alma. They deserve all the love and care we can provide. I am trained in handling both tangles and hugs.
- **Wednesday:**
  - **10:00am - 2:00pm**
    - Welcome, rescue dogs from Barkinside. We have a special "bark-tender" providing them with fresh water and a crispy treat after their grooming session.
  - **4.00pm - 6.00pm**
    - Back to our private clients. We call this the "Golden Hour" of the dog grooming world. The sun is low, the coat shines, and the dogs wag in harmony.

### And now, a few important rules

1. **Location Exploration:** If you're visiting us for the first time, please take a clear look at our location in advance. We wouldn't want you to get lost, and your dog misses out on their glamorous makeover!
2. **Solar Panel Disclaimer:** We live on the campo, so our electricity network is as reliable as a cat taking a bath. If the weather turns bad, we might have to reschedule your grooming session. But don't worry, we won't let your dog walk around with half-trimmed ears and a crooked tail.
